

West Virginia Department of Environmental Protection

hereby certifies

Fredericktowne Labs, Inc.

to perform analyses pursuant to West Virginia Code § 22-1-15 and West Virginia Code of State Rules § 47-32 for the purpose of demonstrating compliance under covered statutory programs when required by rules, permits, or orders issued by the agency or required by statute.

Laboratory methodology, equipment, quality control procedures, records, and proficiency have been examined and found to be acceptable. This certificate does not guarantee the validity of data generated.

This certificate is the property of the Department of Environmental Protection
